HMS
BELFAST

OUR VENUE

Built in 1936, HMS Belfast is an iconic London landmark, moored on the River Thames. From the D-Day landings and Arctic Convoys of the Second World War, to the Korean War and the peacekeeping commissions of the 1960s, no other vessel surviving in Britain today has seen historic events of the same magnitude.

The ship offers iconic panoramic views of the Tower of London, the Gherkin, and Tower Bridge. Event guests can freely explore the expansive decks, taking in the captivating stories and rich history at their leisure.

OUR FOOD

At HMS Belfast, we are passionate about using fresh, seasonal, and ethically-sourced produce to create exceptional dining experiences. Believing that fresh is always best, our dishes are prepared on the same day they're enjoyed by our guests.

Our menus showcase modern British cuisine, evolving throughout the year to feature the finest seasonal ingredients. We also take pride in supporting local, partnering with a handpicked selection of trusted suppliers who bring the highest quality produce to every plate we serve.

Sustainability

We are passionate about not only 'doing the right thing' but making it easier for our guests to have 'planet-friendly' events. Here are just some of Restaurant Associates' sustainability pledges, with whom we work in partnership to deliver events across our venues:

05.

We only serve fish that is rated 1-3 as per the Marine Conservation Society's Good Fish Guide

06.

All teams are trained in Ways to be Well, our health and wellbeing programme

07.

We partner with Foodsteps to carbon label our dishes to enable guests to make informed choices when dining with us

08.

We commit to increasing our spend by 30% with socially concious businesses by the end of 2025

09.

Through our 'Coffee for Causes' programme for every kilo of coffee sold we donate 30p to local charities and community projects
