LONDON'S MOST CENTRAL VENUE

the Dreamers' Ball

A night of provocative sophistication and surreal indulgence, a world where reality meets imagination! Inspired by the grandeur of high-society masquerades and infused with surrealist artistry, The Dreamers' Ball creates a captivating journey beyond the ordinary. Guests will be immersed in a dreamlike setting of opulent décor, rich baroque architecture, and dramatic lighting. The evening is elevated with world-class entertainment, atmospheric music, and surrealist immersive elements that captivate and inspire, leaving an indelible impression of elegance, mystery, and wonder.

Northumberland Lights

A night inspired by the beauty of the Northern Lights, where natural wonder meets modern sophistication. This theme reimagines the magic of winter landscapes, blending the cosy charm of a serene winter cabin with the vibrant energy of an illuminated night sky.

Indoors, guests are welcomed into a sleek and intimate haven of contemporary elegance, where soft lighting, refined textures, and warm fire features create an atmosphere of comfort and tranquillity.

Outdoors, the space transforms into a mesmerising spectacle of dynamic lighting and surreal installations, capturing the vibrant hues of the aurora borealis. Guests will dance and celebrate under a striking winter sky, surrounded by the vibrant colours and energy of this one of a kind setting.
