CHRISTMAS DELIVERED

*ENJOY THE OFFICE CHRISTMAS PARTY FROM
THE COMFORT OF YOUR HOME*

Christmas 2020 is not CANCELLED

Traditional Office Christmas parties are unfortunately not likely to take place this December, or rather, not in the format we've always known them.

But we don't want you to give up on Christmas. We know that You still want to celebrate and reward your staff for their hard work during what has been a difficult and unusual year.

CHRISTMAS DELIVERED

Christmas Delivered is a virtual Office Party solution. It's FUN, fully customisable and will enable you to celebrate and motivate your employees.

Customisable Christmas boxes will be delivered to your employees 5 days prior to the event - no-one is allowed to open their box until the party. On the day of the event, we gather online on a bespoke banqueting and events software - (Not Zoom or Teams) the software requires no download, so your guests simply need internet connect and they can join via the link.

If you prefer we can arrange for some of the guests CEO/SMT to be in the same location such as your office or a venue in central London. The rest of the team will join via the link from the comfort of their own homes.
