# WHAT OUR 2025 CLIENTS THOUGHT

## *How highly would you rate the service?*

10/10 – everyone was so incredibly helpful. The serving staff were quick and kept everything clean and tidy. The staff took care of everyone (especially someone who drank a bit too much) so well. The security staff were friendly but did their job very well. DJ and Glitterballs were so much fun and really helped the vibes!

## *What was your favourite part about your Christmas Social?*

The atmosphere and how effortlessly everything came together. Guests loved the venue itself, the décor, the drinks (especially the cocktails and improved beer selection), and the many thoughtful touches that elevated the experience. It felt glamorous, fun and inclusive with something for everyone to enjoy.

## *Were you happy with the DJ?*

Yes – the DJ played a huge role in creating the energy of the night. The music kept people in great spirits and helped maintain a lively, fun atmosphere throughout the evening.

## *How was your overall experience?*

100/10. I genuinely couldn't have wished for a better experience. From planning to execution it was so easy. You have been so communicative, patient while we had to's and fro's this end, and generally just wonderful to work with. A real testament to your skills, knowledge and ability to handle just about anything. PLUS, your warmth and kindness has been an added bonus. It's been more like planning a party with a friend than being a "client" and that is very rare.

## *Do you feel you had good value for money?*

Great value for money, and thanks to your expert negotiating skills I think we got more than we paid for anyway!

## *How highly would you rate the food?*

10/10 – The food received fantastic feedback across the board. Guests loved the quality, variety and flavour, and the tray service worked seamlessly. The dedicated area for dietary requirements was especially appreciated and made everyone feel well catered for.

## *How happy were you with the production and theming?*

10/10 – The venue setup was a real standout. Guests repeatedly mentioned how glamorous and immersive it felt, with many saying it instantly transported them into the party mood. The space felt special without being overwhelming, striking the perfect balance between elegance and a relaxed, celebratory atmosphere.

# ENTERTAINMENT ADD-ONS

*We have created an all-inclusive package so that you can sit back and relax with your cocktails, and not lift a finger! If you do want to add extra entertainment, we can organise this for you too - all in-keeping with our theme.*
