AWESOME GOING GREEN

One tree Planted

Awesome encourage guests to contribute to improving the environment by attending an Awesome event. Restoring forests, creating habitats for biodiversity, and making a positive social impact around the world. We will plant an awesome tree for every ticket sold

Reducing our Footprint

We are incredibly proud to announce our investment in a new £250,000 electrical sub-station installed in Corams Fields in 2021 to reduce our carbon emissions by 95%.

Reuse, Recycle

We use recyclable materials where we can through our venue - one example being recycling our carpets to for conversion into toothbrushes, hairbrushes and other plastic and recyclable products.

Hunger to Change

Over the past few years, following Government announcements, attendances have sometimes decreased.

Turning a negative into a positive, this provided us the opportunity to donate the unused food to various charities and food banks such as "Crisis at Christmas".
