A foot-stampingly audacious celebration of circus: aerial, acrobatics, juggling, comedy, a banging soundtrack and a festive twist. An all-new international cast of seven for 2026 – brand-new acts, nobody has seen this one yet – in the round, six rows from the action, with a 20-minute interval built for a bar run and a bite.

YOUR NIGHT, START TO FINISH

YOU TURN UP. WE DO THE REST.

18:00

DOORS & DRINKS

A welcome drink in every hand as your team arrives – mulled wine, prosecco, a local beer or something soft. The beer garden on the square is a proper mix and mingle with the festival crowd as audiences cross over.

18:00– 19:30

FOOD ON THE SQUARE

East London food trucks right outside the tent: street food for everyone at £20 + VAT a head, ordered when you book – or let them graze and pay as they go. Nobody sits through a set menu.

19:30

ACT ONE

The ringmaster welcomes your company by name, then 40 minutes of aerial, acrobatics and comedy from an all-new international cast, six rows from your seat.

20:10

INTERVAL

Twenty minutes. Bar, food trucks, loos, a breath of December air. Drinks packages are already behind the bar in your name.

20:30

ACT TWO & AFTER

Forty more minutes, a big finish, and the bar until 22:00. Then two minutes to the Victoria line – or our partner pubs and restaurants in E17 take the party into the night.

*That's the 19:30 show. There's also a **17:00 show**, same price, if it suits you better: an earlier finish, show first and dinner after, or a night the kids can come to.*

WHY A BIG TOP BEATS A FUNCTION ROOM

THE CASE TO PUT TO WHOEVER SIGNS IT OFF

- **It's an actual event.** A live circus with an all-new international cast, in a tent, not a function room with a DJ. People bring the stories back to the office.
- **It costs less than you'd think.** A typical London party package is £50–£110 a head before extras. A full tent here, with the festive drinks package, is about **£55 a head all in**.
- **It's one booking.** Stage, lights, seats, bar, food, cloakroom, security and staff are already there. One invoice, one event manager, zero hire lists.
- **It's easy to get to.** Twenty minutes from Oxford Circus, ten from Stratford, two minutes' walk from Walthamstow Central – and done by 22:00.
- **Everyone's in.** Step-free tent, alcohol-free packages at the same price, a 17:00 show for an earlier finish, and a show with no language barrier.
- **It's us.** East London's own circus: 45,000 live audience members since 2023, multi-award winning at Cirque de Demain in Paris. And 10% of tickets on every run go to local low-income families and community groups for £2 – nights like yours help make that possible.

THE QUESTIONS YOUR OFFICE MANAGER WILL ASK

ANSWERED, SO THE SIGN-OFF TAKES ONE MEETING

HOW MANY CAN WE BRING?

Whole Tent up to 210. Half Tent up to 116. Ringside 37. Team nights 10–36. Bigger than 210? Take the 17:00 and 19:30 shows on the same night, or two nights.

PARTNERS? KIDS? PLUS-ONES?

All welcome – the show is family-friendly. For a staff-and-families party take the 17:00 show at the same price; under-18s simply don't get served at the bar.

ACCESS AND THE WEATHER?

Step-free throughout, two wheelchair spaces, accessible loo. The tent is heated and we perform in all normal weather. Dress code: coats to the cloakroom, that's it.

CAN WE BRAND IT? FILM IT?

A shout-out for your company from the ring is included. Pop-ups, a photographer for your socials or a short speech from the boss before act one – ask, it's usually a yes.

WHAT'S INCLUDED, AND WHAT ISN'T?

Included: your private show, doors from 18:00 and the bar until 22:00, a welcome drink each, event manager, front of house, cloakroom, security, and a welcome for your company from the ring. Not included: further drinks (packages or tab) and food (£20 a head street food, or pay as you go). No service charge, nothing hidden.

DIETARY NEEDS AND NON-DRINKERS?

Soft-drink versions of every package at the same price. Food trucks cover vegan, vegetarian and other requirements – tell us at final numbers and we'll brief the vendors.

PAPERWORK FOR OUR SIDE?

Public liability insurance certificate, risk assessment and licence details on request. VAT invoices with your PO number, BACS payment, supplier forms completed if you need them.

GETTING HOME?

Walthamstow Central is two minutes away: Victoria line to Oxford Circus in about 20, Overground and buses across East London, night buses after. Taxis pull up on Selborne Road – and our E17 partner pubs and restaurants are closer still if the night isn't over.

RATHER GIVE THAN PARTY?

£1,650 + VAT FILLS THE TENT WITH CHILDREN WHO'D NEVER OTHERWISE COME

Access is built into every run we do: 10% of tickets are released at £2 to local low-income families and community groups. Corporate partners take it further, and it's simple to do:

- **Gift a matinee.** £1,650 + VAT buys a weekday performance of CLOWN – our new family show made with Quentin Blake Studio – and we fill it with a local school or community group of your choosing, or matched by us with our Waltham Forest partners.
- **Sponsor tickets for the people you want to reach.** Buy a block at any show and we'll offer the seats free, in your name, to the groups you name – your charity partners, a school, carers, young people, NHS teams. We handle the matching and the invitations.
- **Get the credit, without the admin.** Thanked from the ring, in the programme and to the group; an impact note and photography after the run, ready for your CSR and social value reporting; one invoice. And bring your own team along too – there's room.

BOOKING TAKES ONE EMAIL

1. We need company, package, the date you'd like (plus a back-up) and rough numbers.
2. We hold your night for **three working days** and send a confirmation and invoice.
3. Whole and Half Tent: a **50% deposit** confirms on booking and the balance is due within **14 days**. Bookings made within 21 days of the event are paid in full on booking. Drinks and food orders 14 days before. Ringside and team nights: paid in full on booking.
4. Paid bookings aren't refundable, but they are **flexible**: swap to another available night free of charge up to 14 days before. Final numbers, seating plan and dietary needs, seven days out.

Prices ex VAT for the dates shown. Deposits and payments are non-refundable once made, but bookings move free of charge to another available performance up to 14 days before. Balances unpaid 14 days after invoice release the night for resale, deposit retained. Drinks and food packages can reduce by up to 10% at final numbers. Hire covers the show and the times stated; later finishes depend on our licence. Challenge 25 at the bar; we may refuse admission or end an event early on safety grounds. If we cancel for reasons within our control: full refund. Severe weather closing the site: another night or a full refund. Branding covers the welcome from the ring. The Revel Pucks Ltd, registered in England & Wales no. 11732703. VAT no. 392544476 – VAT invoices, purchase-order numbers and BACS all welcome.
