What to expect at the Great Gatsby party in London

As you make a grand entrance on the VIP red carpet, our flapper girls are there to greet you. Grab your complimentary glass of fizz, strike a pose for the photos, and preen those feathers.

It's time to party like it's 1926!

Over a delicious 3-course dinner with all-inclusive drinks, our live singer performs modern classics... in 1920s style. Name that tune, anyone? And the 20s vintage vibe continues between courses as the flapper girls show off their best Charleston dance moves.

Fancy practising your Charleston swivel? View our Great Gatsby themed party from previous years – filmed across various venues.

Impressive moves! That's a 10 from Craig Revel Horwood.

The all-inclusive drinks are flowing, dinner has been enjoyed... and the entertainment has only just begun.

The dance floor has now opened. The party band is on stage and it's time to shake your tail feather. If you fancy taking a break from the dancing, get some gorgeous facial bling at the glitter bar or try your luck at the Gatsby-style casino tables.

The dress code

There's no dress code because we want you to relax and have a good time. However, if you're stuck for ideas, here are a few Gatsby-inspired suggestions:

For men:

Black tie is always a good option, especially with a pocket square (folded handkerchief). Alternatively, go for a dark jacket with cream-coloured smart trousers and a straw boater. And how about a side parting?

For women:

We're talking glamour and elegance. Fringed, beaded and sequined flapper dresses — black and dark red were popular 20s colours — long black gloves, jewelled and feathered headbands, long strings of pearls.

"West End Events did a fantastic job of organising our work Xmas party which was Great Gatsby themed. They were responsive to requests and queries and always willing to help. The party was a great success with the team enjoying all aspects, especially the entertainment, including a Charleston dance lesson, flapper girls and casino tables."
