

GATSBY'S GRAND WINTER BALL

at Kent House Knightsbridge

THIS CHRISTMAS

witness the enchantment unfold as Jay Gatsby, the maestro of extravagance, transforms Kent House Knightsbridge with his legendary opulence into a mesmerising winter spectacle.

Join us for *Gatsby's Great Winter Ball*, a unique experience that seamlessly blends the sophistication of the Roaring Twenties with the warmth and glamour of the festive season.

YOUR PERSONALISED PALACE OF AMUSEMENT

Choose from over 20 performers dressed in exquisite costume, with extraordinary storytelling and performance skills that will entertain and engage your guests.

Gatsby's multi-skilled acts perform up-close & personal, between tables, above & around you. You can make it as immersive as you like – or not!

Perhaps you'd like a live jazz band playing a mix of Gatsby-era jazz standards and festive tunes, or surprise guests with a pop-up group of elegantly dressed carollers singing classic Christmas carols in harmony or maybe a magician to perform sophisticated illusions throughout the evening, adding an air of mystery.

Your chosen entertainment will surprise and delight your guests as they shimmy through the rooms.

CULINARY DELIGHTS

With a menu inspired by the decadent spirit of Gatsby's infamous parties, combining classic flavours with a modern twist, our flexible Christmas package means you can choose from bowl food, canapes, food stalls or three-course seated dinners, enabling you to create either a grand or more laid-back affair. Expect culinary delights with a touch of the opulent in this indulgent feast.

On arrival guests will be welcomed with Gatsby's Golden Fizz Prosecco cocktails and mocktails or for those who really want to embrace the era, Prohibition Punch can be served later in the evening.
