# the events space.

Our dedicated event location is The Events Space. Banquets, corporate events, speaking conferences, live public events, and cocktail parties are all ideal at this location. In addition, adjacent to this area, we have an outdoor stretch tent for events that require both indoor and outdoor space. The stretch tent can be hired separately, or used as a smoking area. The Clarnico Sweet factory, one of Britain's top confectionery makers in the 1890s, previously stood on this location, hence the event space's name.
