CHRISTMAS 2023 AT

ILLUMINATE

# WELCOME TO ILLUMINATE

Situated on the fourth and fifth levels of the Science Museum, Illuminate offers a breath-taking view over London through panoramic windows. Built and designed with events in mind, the venue comfortably holds up to 400 and is available for both festive lunches and evening events. The venue is impressive at all times of day, either flooded with daylight or illuminated by the spectacular lighting design, the perfect location for your 2023 event.

From your first conversation, you will be looked after by your dedicated Account Manager, through to the moment your final guest departs. On the day, your guests will be welcomed with a prosecco reception, followed by a bespoke menu, and unlimited house drinks. With optional extras including canapés or spirits, there are plenty of ways in which you can make your party extra special.

Illuminate has a capacity of 400 people for both standing and seated events.

# YOUR PARTY JOURNEY

Below is an example timeline. You will be able to tailor your timings to you and your guests' requirements with your dedicated Account Manager.

## RECEPTION

**18:45**  
DOORS  
OPEN

Arrive at Illuminate and be greeted with a glass of prosecco.

Canapé's can be served at an additional cost.

## DINNER

**20:00**  
DINNER IS  
SERVED

Enjoy a lavish three-course dinner or delicious two course small plates food menu.

## DISCO

**22:00**  
DISCO  
BEGINS

**00:30**  
BAR  
CLOSES

**01:00**  
CARRIAGES

### **DRINKS RECEPTION**

Come in out of the cold and dust the snow off your coats...

We will greet you with a glass of Prosecco on arrival.

### **DINNER**

Choose from a lavish three-course dinner, or for standing events we can circulate a delicious two course small plates food menu, with 5 items per person.

Our Christmas menus are released in the summer and we will invite you and a colleague to come our tasting room in Bermondsey and try your festive menu.

### **AFTER DINNER**

A DJ for entertainment will be available throughout the night.

The black dancefloor speckled with LED twinkly lights will open, ready for the guests to dance the night away!

# ENTERTAINMENT

# PRODUCTION SPECIFICATION

Both levels offer a complete technology solution including:

- Twin 3m 16:9 edgeless projection screens that can be positioned in multiple locations
- Twin 13,000 Lumen projectors featuring the very latest laser engines for unparalleled colour reproduction
- 84" LCD Screens on custom built stands that allow for portrait and landscape orientations
- A two stage audio system comprising a discreet ceiling mounted array for background music and speeches, or a larger directional PA system for presentations and performances
- A dedicated streaming engine with broadcast quality remote control cameras for direct streaming to social media platforms
- Integrated LED lighting, atmospheric colour options and dramatic lighting looks
- State-of-the-art Crestron NVX control system allowing audio and video to move seamlessly between the two floors

In addition, Illuminate's entrance lobby features LED walls that allow for branding and visual playback, creating an impact for your guests from the moment they arrive.

The integrated system is designed with flexibility in mind, and fully supported by our in-house sales and technical teams as well as one of Europe's largest productions resources, experienced in delivering innovative and creative solutions.
