★ Christmas  
is back...  
and you are  
invited! ★

It has been too long since we got to let our hair down, leave all our inhibitions at the door and enjoy some much-needed Christmas drinks with our friends and colleagues.

Here at LCC, we are ready to turn the C word into something to look forward to and give you a festive one to remember

Expect Christmas cocktails with a twist, over excited bartenders, festive food, sing-along party tunes and most of all, a party which you will all be talking about for the next 12 months.
