MIDNIGHT

IN
MANHATTAN

Within the hustle and bustle of the city that never sleeps, the swanky jazz bars of Greenwich Village, to the vibrant streets of the Upper East Side, the dazzling lights of Broadway, lies a hidden place in the most central of parks, known only to those invited to see. Join the dreamiest of parties, a Midnight celebration in Central Park.

So charming and so exclusive, a Midnight celebration in the park is whatever you could ask for and more. The skyscrapers and buzzing streets will set the scene while the moon glow and the shining lamp posts will create the atmosphere – experience the enchantment of the city glowing lights and snowy white trees while you feast and dance under the winter starry sky.

Stop for a moment to soak it in: This is a night of true elegance with a wintery romantic feel. A reception of bubbles will be welcoming you, with drinks flowing into sparkling glass wear, and a grand feast awaiting along on the adorned tables. Treat yourself to a special evening made for parties, only open to those invited, where guests dance the night away concealed from sight.
