VIRTUAL 12 DAYS OF CHRISTMAS

EVENT OVERVIEW

Taking you back to your childhood, this activity will have you singing along to the song 12 days of Christmas no time! Working together, challenges will be associated with each verse of the song. Challenges will begin to get harder and some careful planning and delegation between team members will be key! You must complete each challenge before you will be able to move onto the next challenge. From leaping lords to laying geese and everything in between, you are certain to get in the festive spirit with our unique spin on this great song.

Equipped with betting slips and fun money teams now decide which horse to back before they place their bets. When all bets are made, the race is run with full commentary.

Each race is a close finish. Your audience will be in fits of excitement cheering on their runner. When the race is run, winners head back to the tote to collect their winnings. It's then onto the next race!
