

CHRISTMAS HAMPERS

We have a fantastic range of hampers available to deliver directly to staff, clients, family or friends.

These SEASONED hampers are full of the delicious, locally sourced food that Seasoned are so well known for as one of the top London catering companies.

Everything in the hamper is handmade by our team of World Master Chefs giving the hamper a very personal touch.

We also can tailor your hampers just for you whether that is to brand some of the items with your company logo or message, to include a personalised card for each recipient or bespoke some dishes and items to be included just for your staff.

Please see our fabulous hampers below. Should you be looking for something a little different, please just get in touch .

We have put together a selection of the best homemade and delicious goodies to treat your colleagues, friends or family.
