Back in the 1920s Kent House had a reputation as a **palace of amusements**. And we're delighted to revive that tradition for Christmas 2022 but with **added shine, shimmer and sparkle**.

Choose from a selection of performers including **flapper dancers, vintage photobooth, showgirls and singers** to personalise your party.

Dance crazes come and go and whilst not everyone can pull off the perfect Charleston you'll still be able to get **wild and free on the dancefloor** as our top London DJ will be playing all your favourite toe tapping tunes.
