I

III

THIS CHRISTMAS, YOUR TEAM DOESN'T JUST ATTEND A PARTY. THEY STAR IN ONE.

Showstopper is a cinematic journey through Hollywood's golden decades, where every entrance, every toast and every moment is designed to make your people feel extraordinary. From 1930s Golden Age elegance to a bespoke 1950s Awards Show, culminating in a Studio 54 style finale that will have your dancefloor packed until midnight. This is the Christmas party your team will talk about long after.

Limited December dates available. Book now.

ACT I THE ARRIVAL

1930s Hollywood: Golden Age Elegance

A sweeping Hollywood spotlight illuminates the façade as your guests arrive. Velvet ropes line the red carpet. Lanterns cast a warm art deco glow. Live jazz fills the air while vintage Christmas films flicker silently in the background. Pure cinematic nostalgia.

Inside, signature cocktails inspired by 1930s screen legends set the tone: tonight, everyone is treated like a star.

Optional Enhancements

- 🎬 Paparazzi-style photographers to capture the red-carpet moment
- 🎬 Top Hats & Tails dancing doormen to escort guests in pure Golden Age style
- 🎬 Secret-Cinema style personalised tickets, colour-coded for interactive elements and featuring QR codes for added digital magic

Set the stage with timeless, unforgettable glamour.

ACT II THE SHOW

1950s Hollywood: Dinner & The Corporate Awards Ceremony

Ascend the grand red staircase into a dining room transformed: warm amber lighting, monochrome accents, and mid-century elegance. Here, Dinner is the Show - but the Awards Ceremony is the highlight. Your team can take centre stage with their own Oscars of the Night, celebrating achievements, milestones and moments that deserve the spotlight.

The Awards Experience

Your team takes centre stage with an optional fully immersive ceremony designed to celebrate your stars:

- 🎬 Vintage presentation envelopes
- 🎬 Themed presenter and professional MC
- 🎬 Cinematic lighting and music cues
- 🎬 Audience participation and standing ovations

Whether you choose the full Awards Show or an elegant dinner-only experience, Act II is designed to honour your people in style.

Optional Entertainment

- 🎬 Showgirls & showboys for meet-and-greets
- 🎬 Vintage Telephone Flappers for playful interaction
- 🎬 Chandelier Contortionist for a sparkling spectacle
- 🎬 Glitter Brusherettes for a pre-Oscars glamour moment

Celebrate your team like Hollywood royalty in a setting built for applause.
