

IN DECEMBER 2022 AT THE BREWERY

# *The Fairytale Returns*

## *The Fairytale Returns*

A hedonistic playground for the rich and famous, the Fairytale of New York was the most exclusive location in the 70s New York club scene. It was *the* go-to venue for decadent VIP parties – where Upper East Side socialites rubbed lamé-clad shoulders with artists and rock stars – where the entertainment was as outrageous as the outfits. It was a place where fashion and music trends were born.

Sadly, over time, rumours of scandal and corruption plagued the club and was eventually closed down by authorities, keen to clean up the city's reputation.

Join us in December 2022 when The Brewery will dust off the glitter ball and open the doors to The Fairytale of New York for one last dance.
