

THE WINTER HOUSE

DECEMBER 2019

THE PERFECT NIGHT OUT

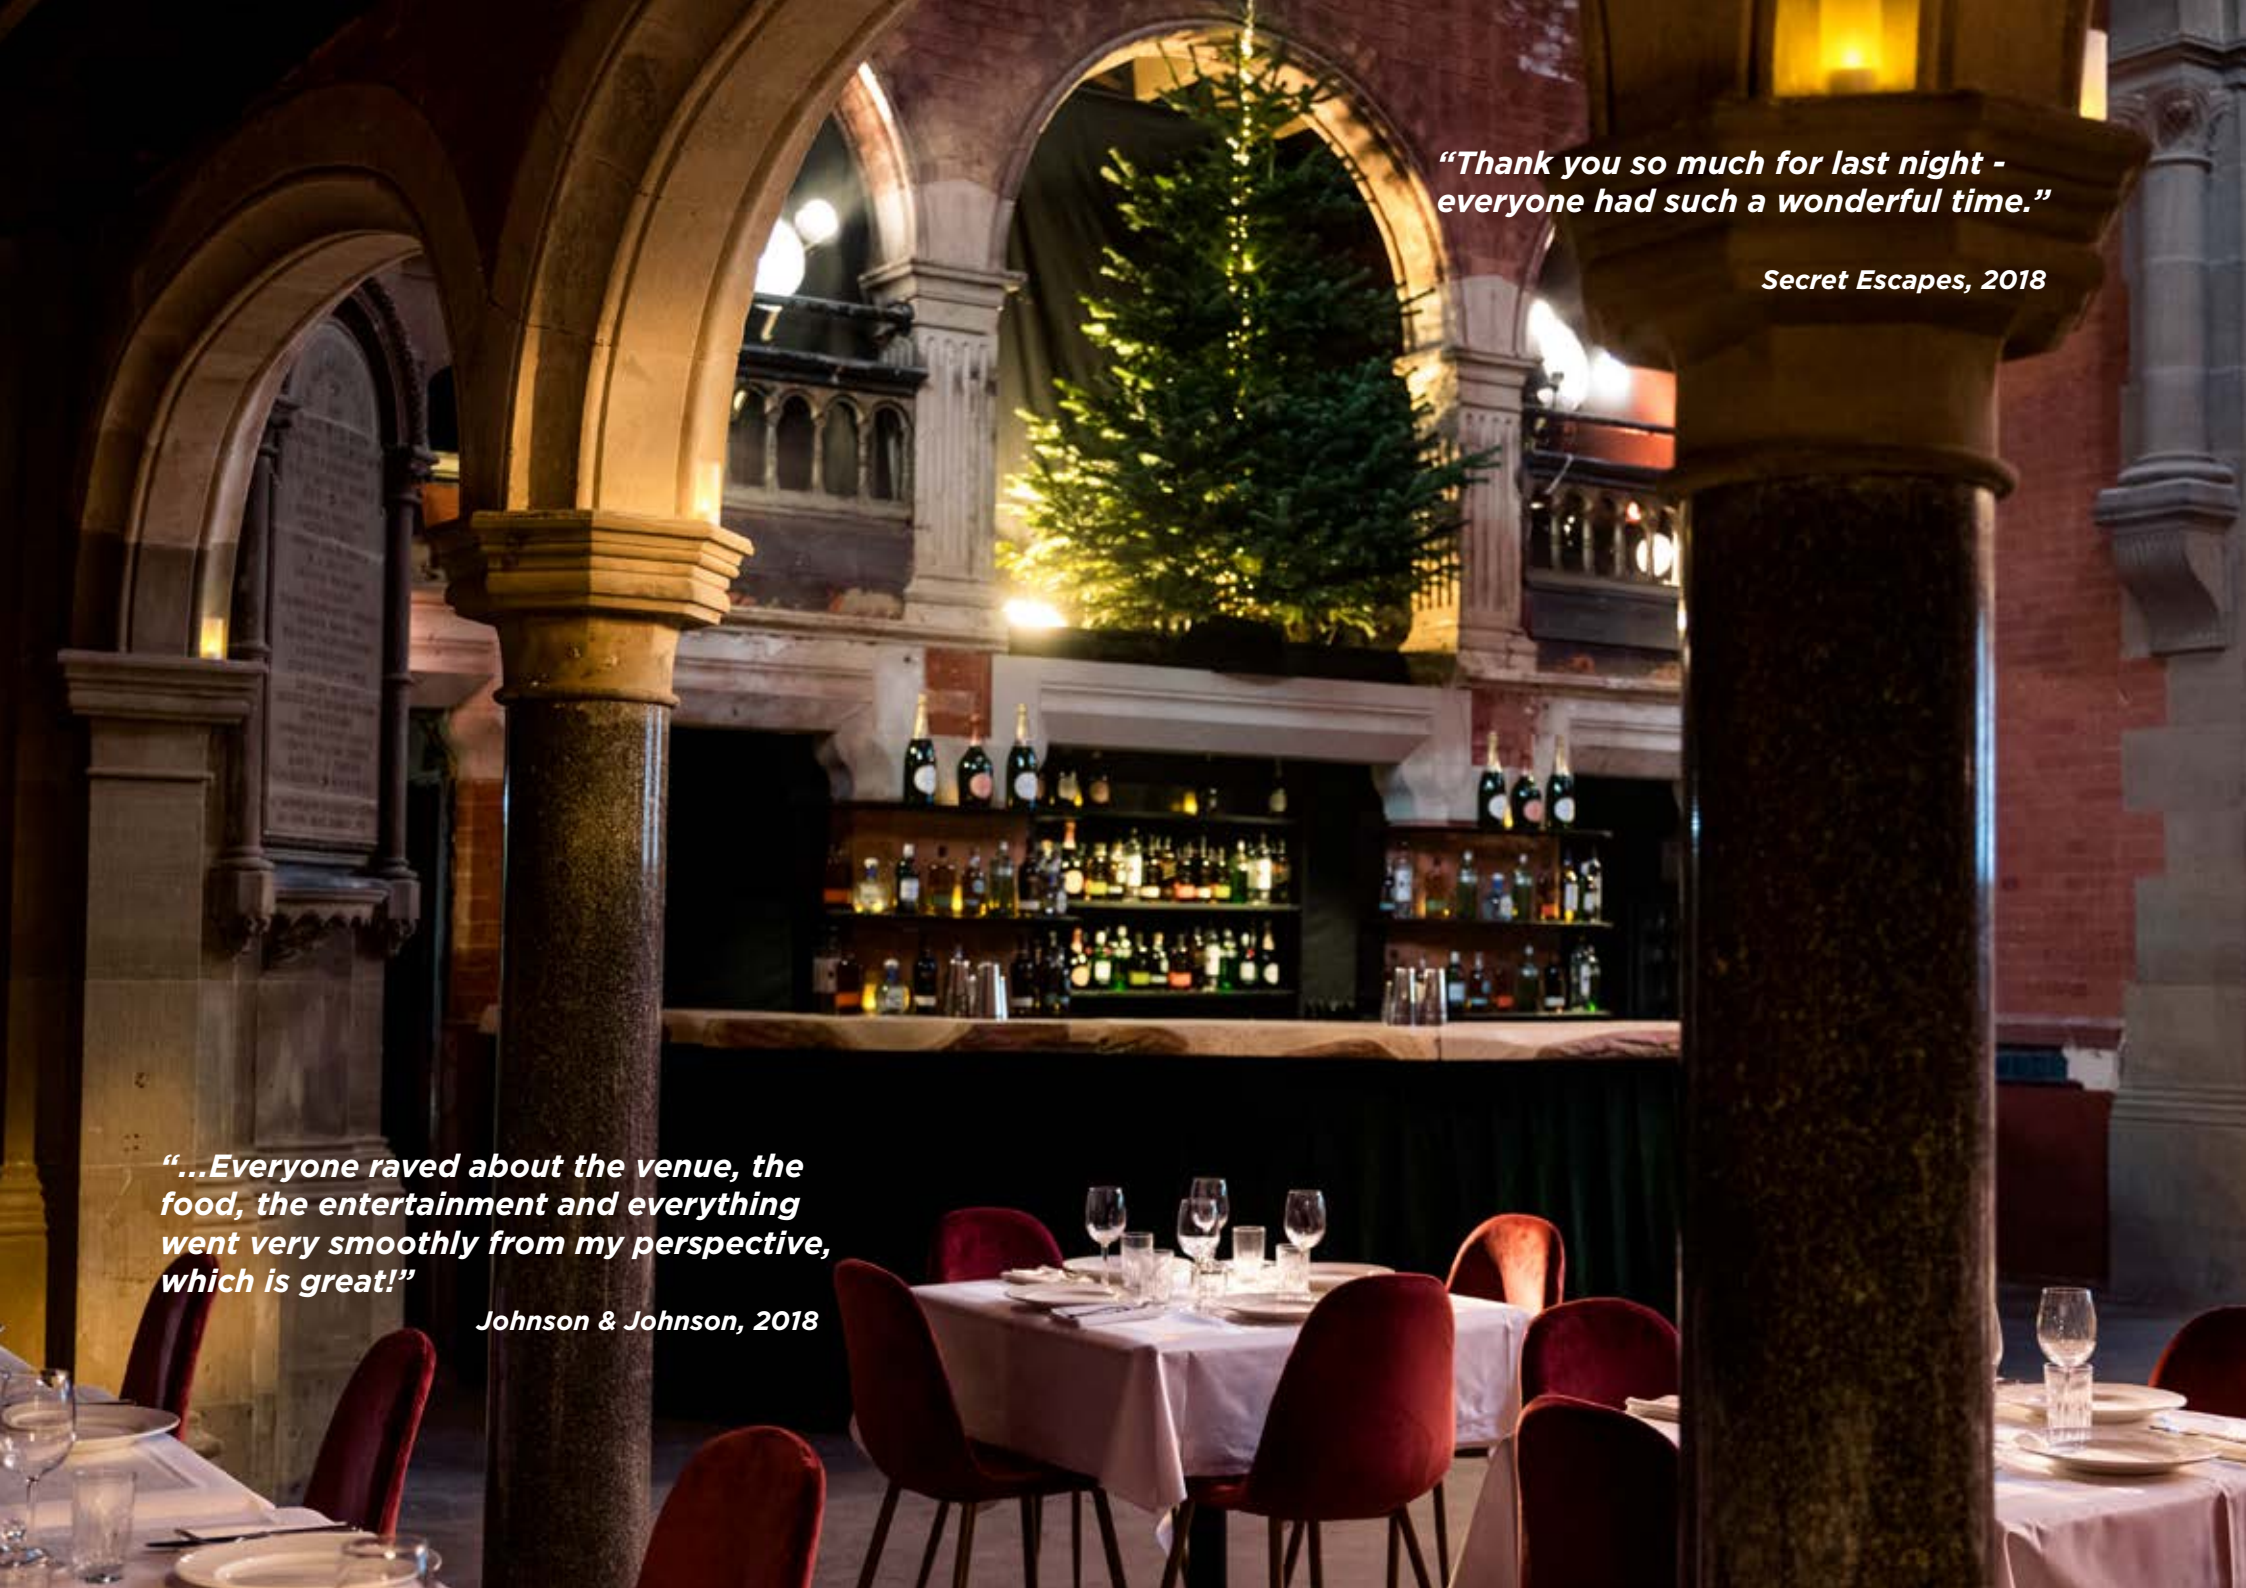

This December, London's premier party organisers invite you to step inside the Winter House for the ultimate night out. We are returning to this beautiful chapel to create yet another awe inspiring transformation into a social drinking, dining and dancing multifloored space, perfect for festive cocktail parties, sit down dinners and Christmas parties alike.

Drawing inspiration from B&H Buildings, the B&H Group's Clerkenwell restaurant known for its unrivalled stately home interiors, the winter pop-up will feature unusual textures and modern shades with luxurious furnishings and rich fabrics, to provide a truly unique space in Soho.

Alongside B&H's inspired interiors, eye for aesthetic and keen attention to detail, guests can expect mouth-watering cocktails, delicious food and trustworthy event organisers to ensure your party runs smoothly and is the talk of the town for years to come.

From elegant canapé receptions in the sweeping hall and intimate late-night cocktails tucked away in one of Winter House's sweeping mezzanines, to dancing the night away in the decadent basement, this B&H Christmas pop-up will provide the perfect setting for all your party needs.

“Thank you so much for last night - everyone had such a wonderful time.”

THE WELSH CHAPEL

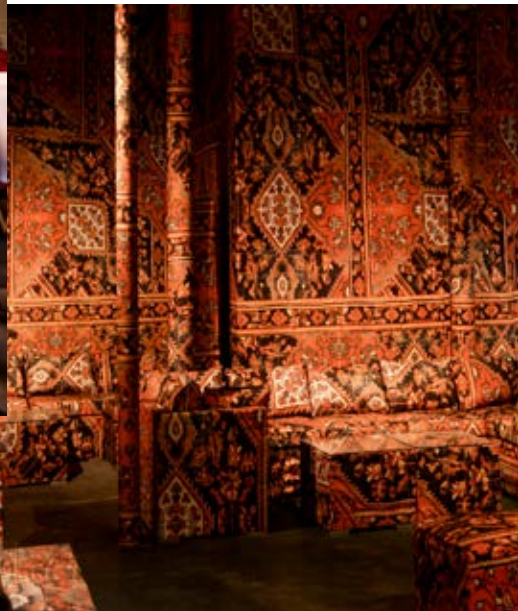

THE VENUE

The Winter House is a stunning historic space located in the heart of the West End.

B&H first opened the doors to our Winter House installation for a strictly limited seasonal period in 2017. Following the popularity of this event we are returning in 2019 to transform this breathtaking space once again.

The Grade II listed former church retains many of its 19th century architecture, including a beautiful galleried central space with arched windows and an umbrella dome ceiling. Split over three floors, B&H will transform this awe-inspiring space into a sweeping banqueting hall, perfect for small and large groups alike, intimate alcoves for cocktail and canapé parties on the balcony, and a late-night drinking and dancing den in the basement.
