FEED, CHRISTMAS 2018

FANCY SOMETHING A LITTLE DIFFERENT?

2019 sees the introduction of a new style of shared party at Tobacco Dock - our Dream Circus Street Food extravaganza.

Designed for those who are looking for a more casual approach to their Christmas party, our standing shared party night offers all of the Tobacco Dock experience but in a slightly different format!

Guests will be greeted with a glass of Prosecco on arrival, before being shown to a dedicated, reserved area within our main party space. Guests will marvel at our Dream Circus theming and décor whilst being entertained by our host of performers and acts.

Singing along to our live band is mandatory - as is dancing the night away to our resident DJ. Don't forget to refuel by visiting our host of Street Food stations - all designed with a night at the Circus in mind.

We will have a host of pre-order drinks packages and options available, or plentiful bars open throughout the evening for guests to pay as they go.
