You can either choose from an indulgent three course meal with all the trimmings or a street food style serving allowing a more relaxed style of grazing.

We've also packaged together some fully-inclusive popular drinks packages to really get the party started. All guests will be provided with a wristband on arrival and drinks will be flowing throughout serving hours.

We can also arrange specific amounts of tokens for your party, if you'd rather guests choose their own drinks. Or if you're looking for more personalised offers and quirky Christmas cocktails please contact our team.
