Our Team Quiz Challenge was designed to replace the after work social, encouraging teams to let their hair down and have a laugh!

Played in the comfort of your own home, this is a virtual pub quiz enabling teams to connect, have some fun and get competitive. Hosted via video conferencing software and one of our event managers, you'll be up against your colleagues to see who can score the highest points.

With plenty of laughs, this challenge will create that feeling of unity without the need to actually be together.

THE BRIEFING

We'll brief you as one large group

Then split you into smaller, more manageable teams.

THE AIM OF THE GAME

Starting on square one, teams must work together to complete tasks using their own devices.

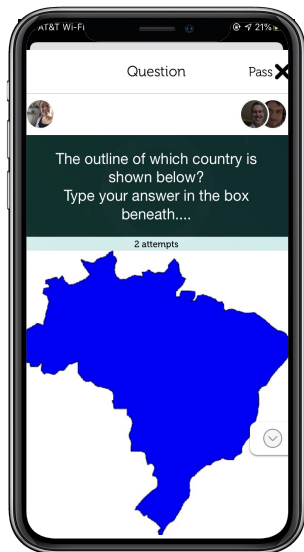

As teams work their way through the challenges, they'll progress to the next square. There's a huge variety of content to keep teams engaged and a live scoreboard will keep the momentum going and allow participants to check progress,

The aim of the game is simple; complete as many challenges as possible within the given time to score the highest points and be crowned the winners!

THINGS TO CONSIDER

To make the most out of your remote experience, make sure you have access to the following:

- A good internet connection
- A smartphone with the 'Mobile Adventures' app downloaded (Android or iOS)
- A laptop or device with sound and a camera in order to join a video conference. Our platform of choice is Zoom* which we set up for you using our account details. The benefits of Zoom is that it allows us to split your group into smaller teams, each in its own breakout room, allowing teams to collaborate. [See why we use Zoom.](#)

*We have some clients who do not allow the use of Zoom. That's fine - just let us know as we have delivered these events in Webex, Google Hangouts, BlueJeans and Microsoft Teams. It just requires us to deliver the event in a slightly different way - [watch this.](#)

“Thanks for the remote working team quiz yesterday. It was great timing, after weeks of daily morning Skype calls things had become slightly repetitive. The team quiz was a chance for us to bond, chat and compete with each other away from our normal roles, and most importantly it was great fun! Thanks again.”
